

Dear Voter,

As the parent of three children currently in this school district, I believe that our children are the future of our community and our most valuable asset. Our children should be the primary focus of our School Board and every decision made should have a positive impact on developing all kids into the finest future possible.

As your elected
Trustee I will focus on:

- Changing how we administrate Schools of Choice admissions so that we **maintain and improve our community value.**
- Fiscal and operational transparency within our district.
- Televised School Board meetings; ALWAYS.
- Promoting effective curriculum to improve the success of every child in our community.
