

"Hello" From the Chair

April 17th is "Income Tax Day" and **May 15th** is "**Filing Deadline Day**" here in Macomb County. Anyone who wishes to run for office, including precinct delegates must file by 4:00 pm on that day.

Together we can take back our country!

It is a huge undertaking to run for office. It takes a lot of money that must be raised and or taken out of the candidates own finances. If a candidate is serious about winning he/she must donate vast amounts of hours going door to door. No Candidate has ever won an election by him/herself. The real **HEROES** in all of this are the voters/volunteers out in the trenches. If you really want your candidate/candidates to win it is imperative that you get behind them by doing as much as you can. Some people can't volunteer time but they can donate money. Some volunteer to door knock, phone call, stuff envelopes, or if they can't do that they will offer to help do something like mow the lawn or take the dog for a walk. No amount of time is to little or to much.

If there is a candidate you wish to help and you don't know how to contact them please contact me. I will try to make sure that you get connected with that candidate.

Thank you for supporting SHUR and for being "**Heroes**" at Home by becoming a candidate, or a volunteer, and voter.

Have a Grand and Glorious Day and God Bless

Your friend,

Philia

"Heroes" Corner

Hello "**Heroes**" This spot will be dedicated to you the **volunteers** and **voters** who work diligently to get conservative, honest candidates elected. Please send us a brief paragraph (maybe 50 words) regarding something that happened when you were volunteering that was funny, heart warming, or helped out someone in need. It can be a people story or an animal story, or you can tell us how many hours you volunteered that month. We will pick one or two each month and print them.

Send them to **Philis** at
desaele@wideopenwest.com

Remember that it doesn't matter much what you believe if you don't stand up and fight for it!
