"Hello" From the Chair

Dear Precinct Delegate Candidates,

Congratulations on your candidacy for Precinct Delegate, and good luck to all of you.

Please understand how important you are to the election process and to insuring that the right people are elected to represent us; making sure that our country is free, prosperous, and follows the Constitution that our forefathers put into place which made us the greatest, freest and most prosperous country in the history of the world.

We are at a crossroads now and what you and I do during this election cycle could determine whether or not this country continues on as a Constitutional Republic or if we become like our European neighbors which are already failing. Do we stand up and make sure that our children and children's children will have the freedoms and prosperity that we have enjoyed? As one Republican, husband, father, and businessman said "I would lay in bed at night and worry about what was going to happen to my children. Will they have the same freedoms and ability to prosper that I have been able to enjoy? So I decided to get up and do something about it. I got involved!" How about you?

Not all of us have the same abilities to help. Some of us can donate money to candidate/s or causes of our choice. Some of us can donate various amounts of time. Candidates need all varieties of help—make a website, blog, door knock, literature drop, phone call, mow their lawn, do their dishes. No matter how much you can give you will have become a real "HERO" at Home! The future of our country is in your hands!

Have a Grand and Glorious Day and God Bless Your Friend,

Philia

"Heroes" Corner

Juanita Parker led a group of residents to the Fraser City Council meeting and stopped a 3.75 mill (public safety) tax proposal. On May 10, Juanita called a Town Hall meeting and had Simon Haddad, noted local expert on the cost of funding Fire Departments, as the guest speaker. The meeting was attended by the Mayor and about 40 residents. Juanita then led them to the city meeting where she and others spoke out. No motion was made so the issue failed. Who said you can't fight city hall? See Simon's website:
